MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Army Child and Youth Services (CYS) Fee Policies and Guidance

1. Reference memorandum, U.S. Army Community and Family Support Center, CFSC-CY, 31 AUG 2006, subject: School Year (SY) 2006-2007 Army Child and Youth Services (CYS) Fee Policies and Guidance. This document, with its enclosures, is located at <https://cys.us.army.mil/>.
2. The purpose of the enclosed IMA-EURO CYS Fee Changes and/or Adjustments is to delineate rates and procedures that are to be standardized for IMA-EURO CYS programs throughout SY06-07. These changes and/or adjustments are **in addition to** those standardized SY06-07 requirements noted in the memorandum referenced in paragraph 1.
3. Garrison commanders will further develop and establish local command policy which identifies FCC optional direct and indirect subsidies and determines offerings and fees for individual sports. Implementation of the SY06-07 CYS fees must occur with the assessment of the November 06 fees.
4. With this year's directives, IMA-EURO is increasing child care fees; however, hourly rates for CDS and SAS will remain unchanged. Cost of Living Allowance/Post Allowance will continue to be excluded from the Total Family Income (TFI) calculations. Foreign governmental financial support for children (e.g., Kindergeld) will also be excluded.
5. IMA-EURO will initiate a European-wide CYS SY06-07 fee marketing campaign immediately. This campaign will give patrons the required 30 days notice of the 1 November 2006 fee increases.
6. The IMA-EURO points of contact are: Ms. Cherri Verschraegen, e-mail: [cherri.verschraegen@ima-e.army.mil](mailto:cherri.verschraegen@ima-e.army.mil) and Ms. Lib Keppner, e-mail: [keppnere@ima-e.army.mil](mailto:keppnere@ima-e.army.mil) DSN 379-6154, commercial 06202-80-6154.

Changes and/or Adjustments to Department of the Army  
U.S. Army Community and Family Support Center School Year (SY) 2006-2007  
Army Child and Youth Services (CYS) Fee Policies and Guidance

**1. Effective 1 September 2006:**

A. "High Cost Area:" The Europe Region's fees are based on the Department of the Army high cost area formulas. Total Family Income (TFI) for SY 06-07 fee calculation will be based on the latest Leave and Earning Statement (LES) **plus** the 2006 BAH Chart II for current patrons or the 2007 BAH Chart II for patrons registering after 31 Dec 06. **NOTE:** The BAH Chart II substitutes for the BAH as listed on the LES. Living Quarters Allowance (LQA) will be calculated as part of TFI for civilian patrons. The following allowances will be **excluded** from TFI calculation:

- Combat zone pay, hostile fire/imminent danger pay,
- Variable housing allowance (VHA), overseas housing allowance (OHA),
- Family separation pay, alimony, child support,
- Cost of Living Allowance (COLA) or Post Allowance (PA)
- Foreign government financial support for children, e.g., Kindergeld

B. Total Family Income: Commanders will report patrons suspected of intentionally under-reporting TFI to the supporting Criminal Investigation Division (CID) for the possible initiation of a criminal case for the offenses of Larceny and False Official Statement.

C. Fee Charts: This enclosure includes a standardized IMA-EURO fee chart for CDS to include Kindergarten and Sure-Start, and a standardized fee chart for SAS, Summer Camp, and Team Sports. Children that attend EDIS or part-day Host-Nation programs will be charged full day rates.

D. Semi-Monthly Payments: Patrons must pay fees in advance. Billing cycles will be 1-15 and 16-30/31st of month. The semi-monthly payment option is provided as a convenience to parents to coincide with pay dates, not as an equal distribution of service dates each month.

E. Pro-rated Payments for New or Terminating Patrons: For those garrisons who must pro-rate payments manually, use the following method: Count the number of days the program is in session that month. Divide the monthly fee by the number of days and the result is the daily rate. Multiply the daily rate times the number of days the patron will be using the program. Result is amount due for that month.

F. Hourly Care:

(1). The SY 06-07 Army-wide fee for Child Development Center hourly care/occasional users is \$4.00. The hourly fee for Category 1 patrons is \$2.50.

(2). The SY 06-07 Army-wide fee for School Age Program hourly care/occasional users is \$3.00. The hourly rate for Category 1 patrons is \$2.00.

G. "Open Recreation:" School-Age hourly program patrons will receive 5 free "open recreation" hours per month during weekday duty hours as part of the annual CYS registration fee.

H. E-4 and below Free Care: Garrison Commanders have the option to offer up to 10 free hours of care per month for E-4's and below.

I. Summer Camp: Fees have been calculated on a weekly basis and can not be pro-rated.

J. Team Sports Activity Fees: The fees for team sports are as follows:

- (1) Category A (soccer, flag football, cheerleading): \$36/season per child/youth;
- (2) Category B (baseball, softball, basketball, field hockey): \$46/season per child/youth;
- (3) Category C (lacrosse, roller hockey, tackle football): \$84/season per child/youth,
- (4) Category D programs: locally determined. Fees must be higher than fees in Category A-C sports.

K. Team Sport's Sign-Up Fees: Patrons who sign up for team sports within the announced sign-up period will pay the fees posted above. Those patrons signing up after that time period ends will be assessed a \$5 late fee. Patrons who provide documentation showing that they PCS'd into community after announced sign-up dates are not subject to the late fee.

L. Individual Sports' Activity Fees: Fees for individual sport programs will be locally determined but must be based on a break even analysis. These programs are typically 4 to 8 weeks in duration with a consistent roster of participants and include practice times, games, matches or meets. Children must be registered in CYS.

M. Discounts: Multiple child reductions (MCR) of 10% will be given patron families with multiple children in the following programs:

- (1) Regular full day and part day. (After the first child pays the full cost of care the MCR will be applied to the least expensive type of care for each additional child in the same family.)
- (2) Team Sports. (Discount will be applied broadly within a sport (for example, one child may play basketball, while another is a basketball cheerleader).
- (3) FCC when home is subsidized for fee equity. [MCR discount for Family Child Care (FCC) should be indicated on the FCC Subsidy Report as Optional Direct Subsidy.]
